Diagram 1

Making up the blocks

Lay out your fabric pieces for block 1 as in the diagram. All three blocks are made up in the same way. The only thing to remember is block 1 you need nine blocks in total. For blocks 2 and 3 will be eight of each.

Flying geese block, top and bottom of the block. Sew a small triangle to the each of the short side of the large triangle.

Sew the two small triangles together to make a larger triangle.

Bottom two on the left side and top two on the right side.

Next stitch the triangles to the middle pieces.

Now sew all three pieces together and then join the two pieces together.

Sewing the Flying Geese blocks to the top and bottom of this block.

All the blocks are made up in the same way.

Making up the quilt centre

Lay out your blocks as in the Main Diagram. You will see that on row 2, 4 and 6 you have a 6½" x 6½" square of fabric 11 at the top and bottom of each row and the block that are in the same

rows are turn 180° (upside down) Sew all of the rows together.

Sashing

Take your fabric strips of 1½" x 48½" of fabric 12 and sew in between the blocks and then the outer sides of quilt.

Next the top and bottom strips.

Middle borders

Taking fabric 10 and 12 sew in strips as in the main diagram. You will start with fabric 12 and end with it too. With fabric 10 in between. On the top and bottom strips add a square to each end. Sew the side strips to the quilt and then top and bottom.

Outer Border

Stitch the sides strip and then the top and bottom strips to the quilt.

Quilting

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size of quilt.

Binding

Use your favourite method from fabric 12 to bind the quilt.
