Block 2

Block 3

Block 4

Block 5.

The first four blocks are from the top row of the quilt and number 5 block is on the second row of blocks. Rows 1, 3 and 5 are sewn in the same way.

On rows 2 and 4 you will flip the block as in block 5. Look at the main diagram for which way you place the fabrics colours on each row.

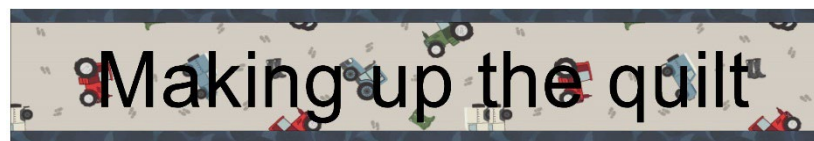

This is the first block

All of the block are make-up in the same way. It's just that 8 blocks will be flip.

Lay out the fabric pieces for the block. Have put number on the block so you can see where to star sewing strips to the square. You will work sew number 2 strip to the square. Keep adding until you get to strip 5.

Next take strip 6 and sew to the square and then work your out with the numbers until last strip. In total you need 20 blocks, but look at each block on the diagram as to placement of fabric strips for each block.

Lay out the blocks, squares and sashing strips as in the main diagram.

This is row 1 and 2 of blocks with the sashing in between.

First row stitch blocks to sashing pressing the seams the same way. On the next row sashing strips and squares. This time press you seams the opposite way. Do this to each row as it will help when sewing the rows together.

When all the rows are complete you can join them together to fished the quilt center

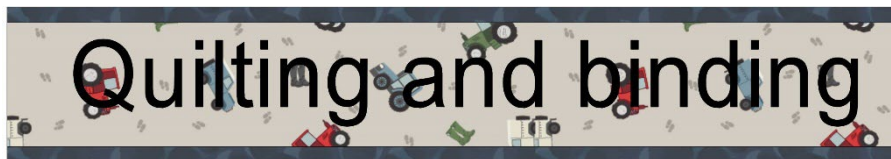

Inner border

Sew the strips of fabric 7 to the sides of the quilt, press back and then the stitch the top and bottom strips to the quilt.

Outer border

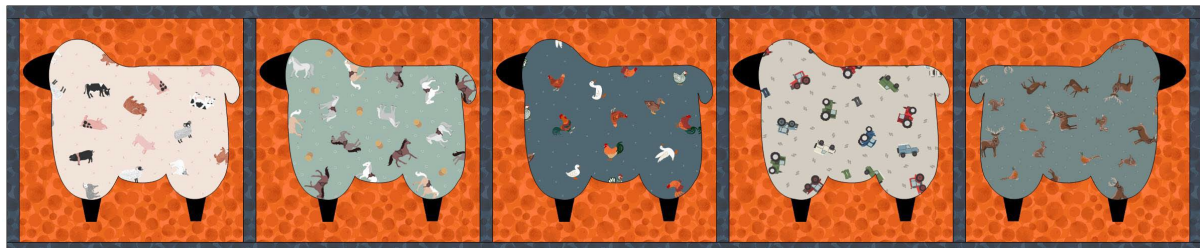

You will stitch the outer border same as the inner border to complete the quilt top.

Sandwich the quilt top, wadding and backing together.

Quilt by hand or machine as desired. Trim the backing and wadding to size of quilt.

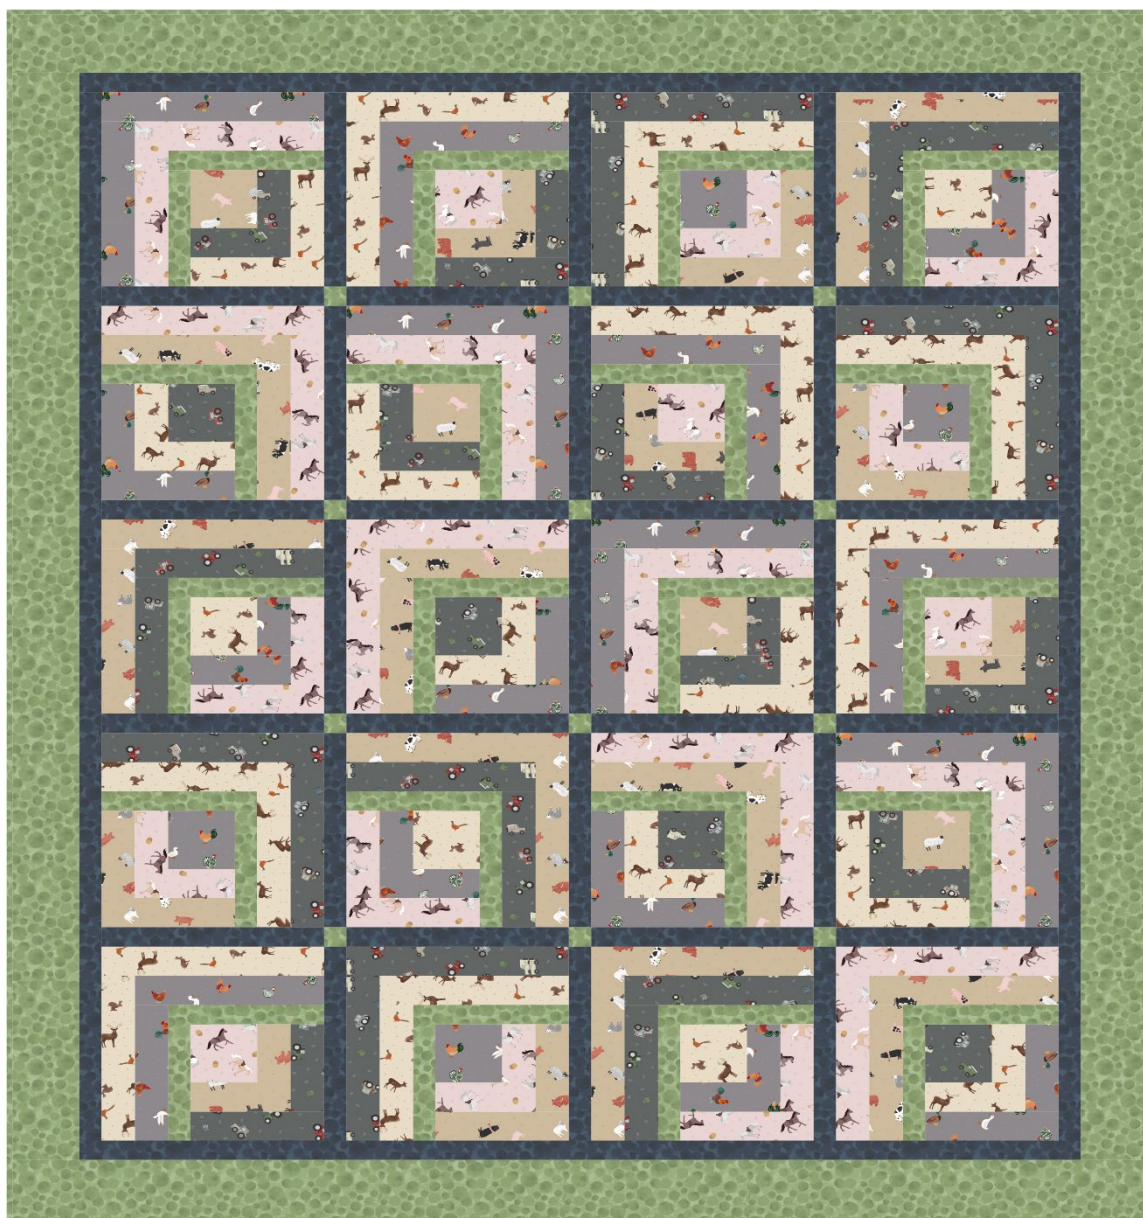

Use your favorite method from fabric 6 to bind the quilt.
