16 x 3 $\frac{7}{8}$ " x 3 $\frac{7}{8}$ " cut in half diagonally once

From fabric 11 cut

1 x 13 $\frac{1}{4}$ " x 13 $\frac{1}{4}$ " cut in half diagonally twice (large block)

12 x 7 $\frac{1}{4}$ " x 7 $\frac{1}{4}$ " cut in half diagonally twice

2 x 1 $\frac{1}{2}$ " x 24 $\frac{1}{2}$ " sides of center block

8 x 1 $\frac{1}{2}$ " x 12 $\frac{1}{2}$ " sashing

Making up the block

Large block 24½" x 24½"

small block 12½" x 12½"

Both blocks are made in the same way.

The Flying Geese block and Pin Wheel.

Flying Geese block. Lay out the fabric pieces for the block. Take the same triangle and sew it to the larger triangle, press back. Do the same to the other piece to complete the block. Sew 4 in total for the larger block.

Pin Wheel block. Lay out all the pieces for the center of the block. Stitch two same triangles together to make a square. Do the same so you will end up with four squares.

Corner blocks. Stitch together the two small triangles to make the square. Lay out the block pieces in rows. Sew each row together and then stitch rows together to complete the block.

The 12½" x 12½" is made up in the same way. Four will be the same colour as the larger block and eight in total of the other colour way.

Complete the throw top.

Lay out all the blocks and sashing as in the main diagram.

Sew the sides to the large center block, press back. Then the top and bottom.

Now stitch the top row together. A block sashing then two blocks, sashing and the last block.

On the next row sew two blocks together with a sashing strip top and bottom. Do the same to the other side. Now stitch all three together. The bottom row will be the same as the top row. Join all three together to complete the throw top.

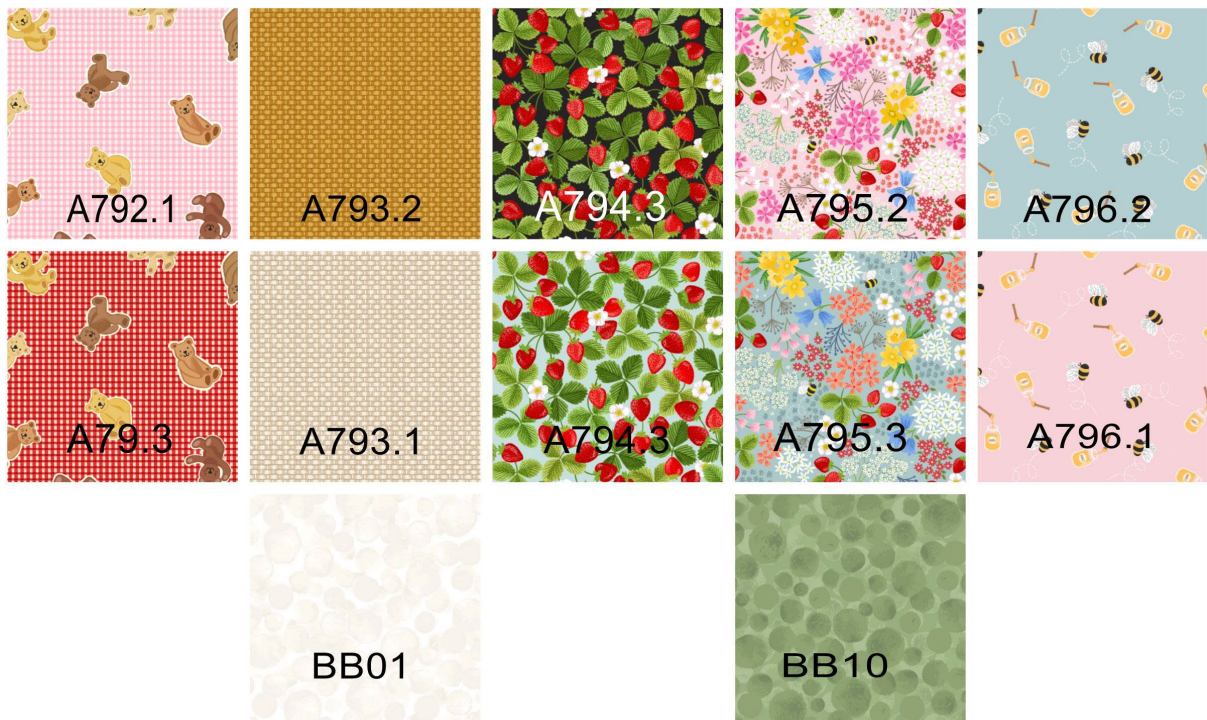

Quilting

Sandwich the quilt top, wadding and backing together.

Quilt by hand or machine as desired. You may like to quilt Teddy bear's or just a cross hatch pattern.

Binding

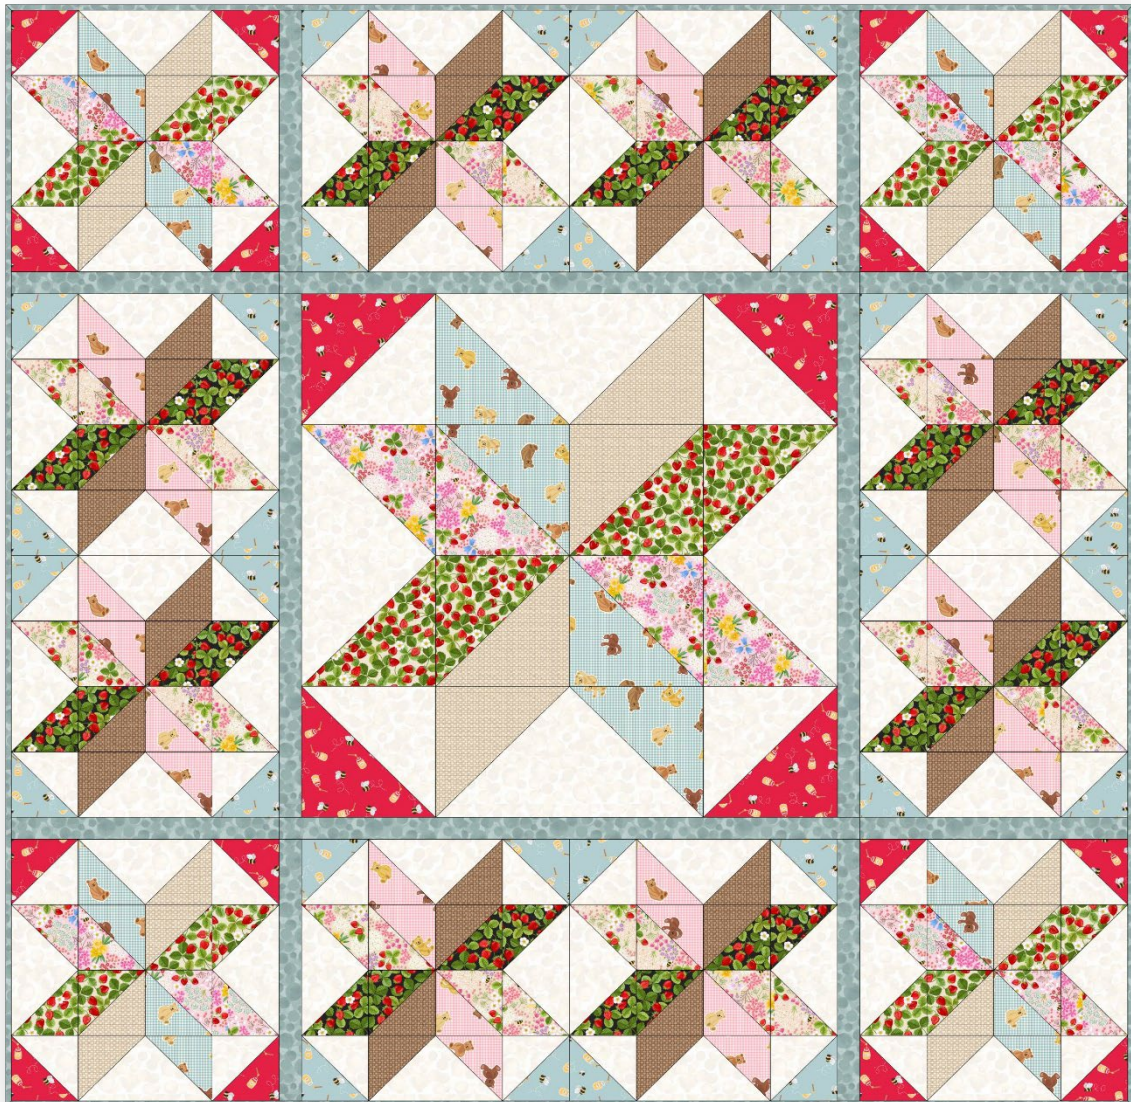

Use your favorite method from fabric 11 to bind the quilt.
