## Making up the blocks

**Quilt block 1**

**Quilt block 2**

**Border block**

Look at the main diagram for the fabric lay out.

### **Quilt block 1.**

On the outer edge of the quilt centre, you will stitch together a background triangle with a pattern fabric triangle to make the square.

You need 22 blocks in total.

### **Quilt block 2.**

On this you will sew two pattern fabric triangles together to make a square. Look at which fabrics will go together.

You need 49 blocks in total.

### **Border block.**

Stitch a triangle to the opposite sides of the square. Fold each in half so this will help to match them up before sewing into place. Do the same to the other two triangles to complete the block.

You need 12 in total.

### **Making up the quilt.**

Lay out all the blocks and fabric squares as in the main diagram. Sew your rows together, pressing the seams in the opposite way each time as this will help when you stitch your rows together.

Stitch the rows together to complete the quilt centre. I sew half of the rows together.

Then do the same with the other half of rows and then stitch the two together.

## Inner border

Stitch inner border strips to the quilt of fabric 12 to the sides, press.

Next sew the top and bottom strips to the quilt.

## Middle border

Lay out all the pieces as in the main diagram. For the sides sew 13 squares together adding a strip of fabric 12 at each end. Sew to the quilt

For the top and bottom you will stitch a strip and then the square of fabric. Stitch this to the quilt.

## Outer border

Sew the sides strips of fabric 12 to the quilt. Now stitch the top and bottom to complete the quilt top.

## Quilting and binding

Sandwich the quilt top, wadding and backing together.

Quilt by hand or machine a pattern to match the quilt.

Maybe flowers. Trim the backing and wadding to size of quilt.

## Binding

Use your favorite method from fabric 12 for binding the quilt.
