Making up the blocks

Block 1

Block 2

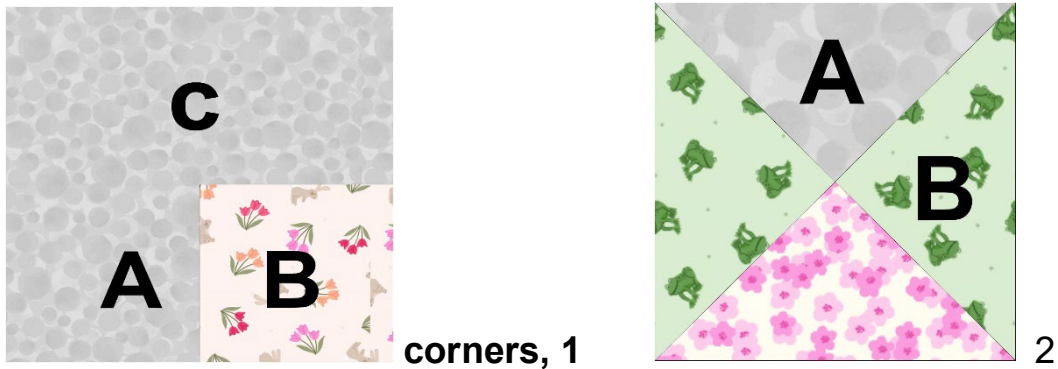

Diagram 1 will be in blocks 1 and 2.

Diagram 2 will be in the blocks and the sashing.

Blocks 1 & 2 are made up in the same way.

Working on block 1 look at the diagram for the placement of fabric.

The corner squares you need to stitch A square to a B square, press and then sew this strip to C. Make up all four in the same way but remember the background fabric will be on the outside of the blocks.

Next the triangle block.

Sew two small triangles together A to B. Do the same to the other side and then stitch the two together to make a square.

Lay out all pieces as in block diagram and sew in rows and then stitch the rows together to complete the block. 5 in total for block 1 and 4 in total for block 2.

Sashing strips.

Look at the main diagram for fabric lay out for each sashing strip. The end of each strip is made up as before in the triangle blocks. Sew a triangle block to each end of a background square $4\frac{1}{2}'' \times 4\frac{1}{2}''$.

Making up the quilt top.

Lay out all the blocks as in the main diagram and sew in rows.

The first row will be sashing strips and squares. Next row sashing and blocks. Keep working down the quilt top until you have completed the quilt centre.

Border.

Sew the side strips to the quilt, press back then the top and bottom to complete the quilt top.

Quilting and binding

Sandwich the quilt top, wadding and backing together.

Quilt by hand or machine a pattern to match the quilt.

Maybe flowers. Trim the backing and wadding to size of quilt.

Binding

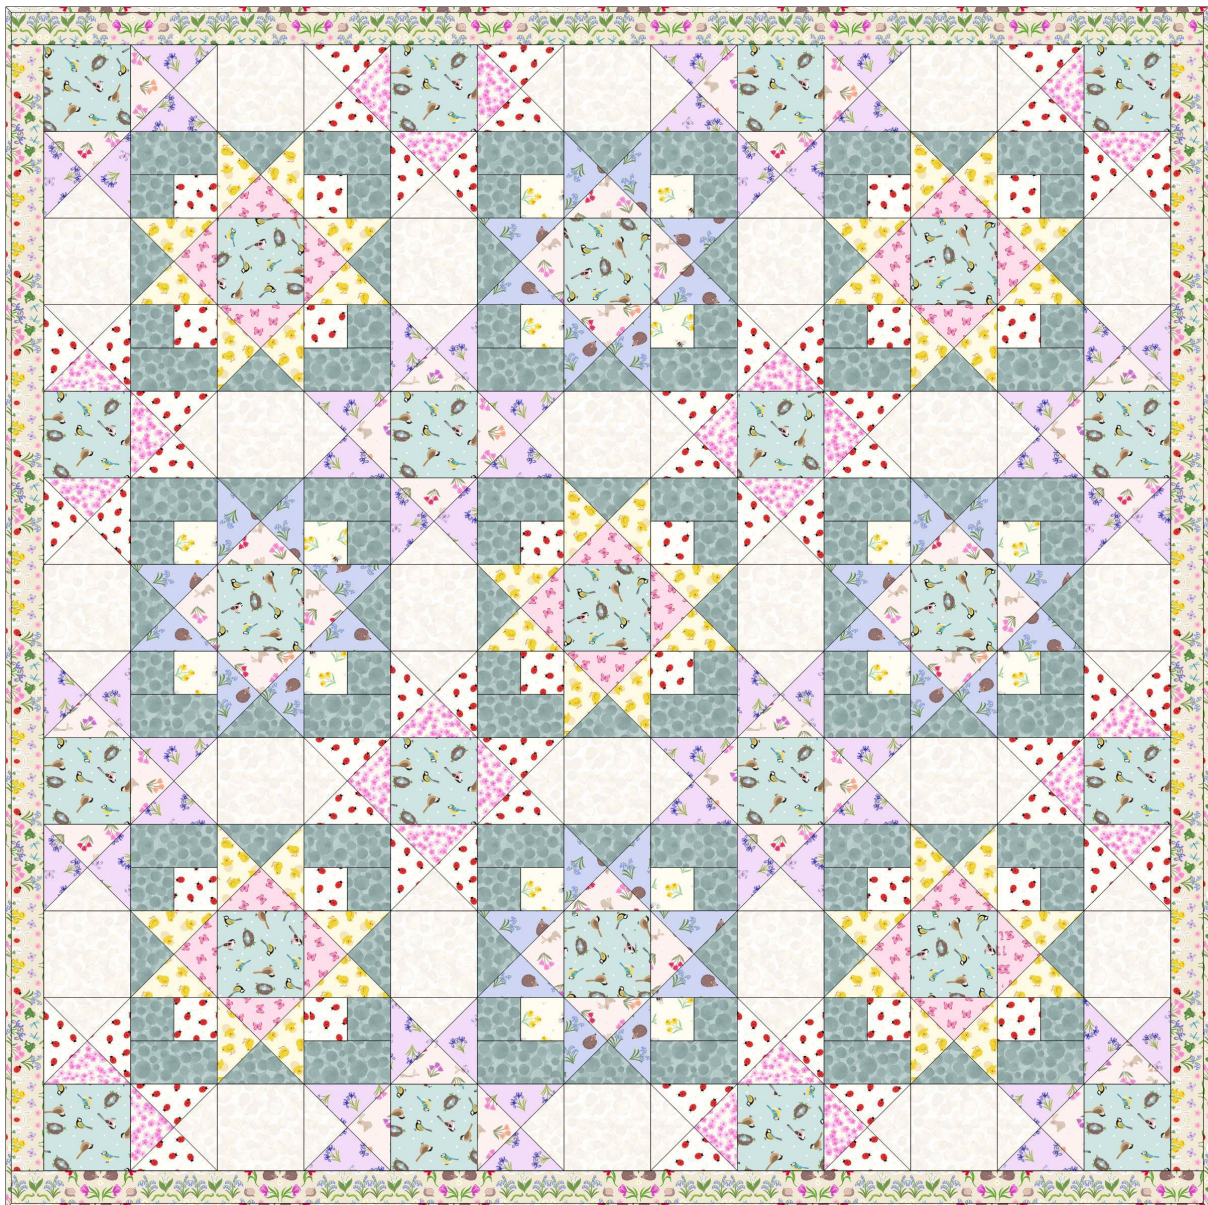

Use your favorite method from fabric 9 for binding the quilt.
