Making up the blocks

Block 1 A

Both blocks are made up in the same way. Lay out the fabric pieces for block 1 A. Start with the corners by sewing the two small triangles together to make a square.

Next part is a Flying Geese block.

Stitch a small triangle to the larger triangle, press and then sew the other one to complete the Flying Geese block. Lay out all the pieces as Block 1 A. Stitch in rows and then the rows together to complete the block.

You need 5 of **block 1 A** in total.

Block 1 B is made up in the same way, but this time you need 8 in total.

Block 2 – Look at the main diagram for the layout of fabrics

Block 2 A

Block 2 B

Still a Flying Geese block. Again, you with sew the small triangles to the larger triangle one at a time.

Lay out as in the block 2 A diagram. Stitch in rows and then sew the rows together to complete the block. You need 8 in total

Block 2 B is made in the same way just different colours. 4 blocks in total.

Making up the quilt.

Lay out the blocks as in the main diagram, pressing the seam in the opposite way each time. This will help when sewing the rows together. Stitch in rows and then sew the rows together to complete the quilt center.

Border.

Stitch the sides to the quilt, press and then the top and bottom to complete the quilt top.

Quilting and binding

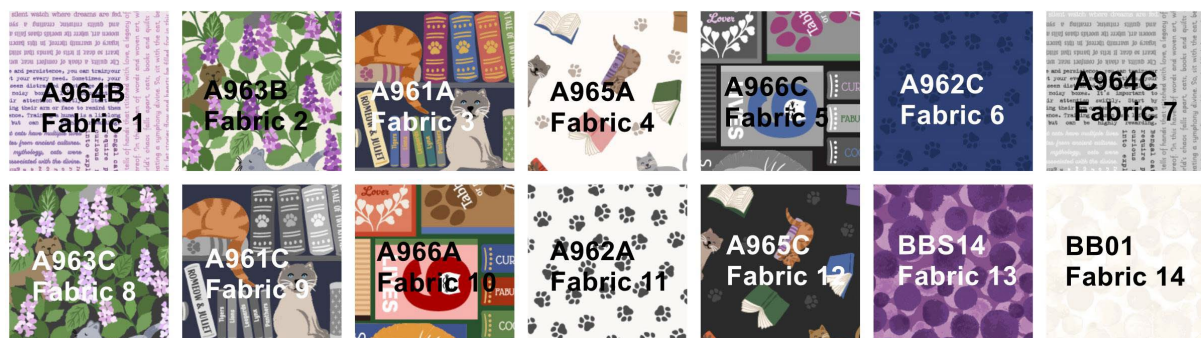

Sandwich the quilt top, wadding and backing together.

Quilt by hand or machine a pattern to match the quilt.

Maybe flowers. Trim the backing and wadding to size of quilt.

Binding

Use your favorite method from fabric 13 for binding the quilt.
